AWARDS WEEK 2 TERM 2**S**tudent of the week: **Joey****M**erit awards: **Sophie & Brady****NAPLAN**

Students in Years 3 and 5 will participate in the 2018 National Assessment Program – Literacy and Numeracy in Week 3 of this term. NAPLAN is a snapshot of student and school performance across the state. Please support your child to understand that there is no pressure upon them to do any more than have a go and try their best with these tasks. The school already tracks and monitors student progress, and the data provided from NAPLAN should essentially confirm what we already know. Students will be engaging in some NAPLAN practice activities over the coming weeks to become familiar with what this testing involves. It is different to how teachers assess on a daily/weekly basis and we want students to be relaxed about what is involved. We will still do NAPLAN via pencil and paper tests this year. If you have any questions, please don't hesitate to contact your child's classroom teacher.

Life Education

The Life Education Van will be visiting Wyrallah Public School on Tuesday 22nd May. Life Education is an education program which aims to empower children and young people to make safer and healthier choices. This program is part of your child's health and personal development learning this term. The cost per child is \$10 and includes the Life Education Session, a student workbook and a sticker for each child. Permission notes have been sent home with students today. Please return notes and money by Thursday 17th May.
