# HAROLD MERCHANDISE

Dear Parents,

Life Education NSW is a not for profit organisation that relies on the support of the community to assist us in reaching our fundraising goals. Every Harold product purchased helps us visit more children in NSW.

The sale of Harold merchandise to the children whilst the program is visiting each school supports our overall fundraising activities and helps cover the gap between the cost of delivery and what parents and schools pay for our program. These products help to remind children about the messages delivered to them during their Life Education session and have either a picture of Harold or the Life Education logo on them.

The educator will provide the opportunity for children to purchase these products during the school visit. Please provide the correct money in an envelope with the item written on the face of the envelope along with your child's name and class. This allows the educator to process orders efficiently and accurately. Orders will be returned by the conclusion of the visit. You can also check out our **NEW** product range online by visiting [www.lifeeducation.org.au/shop](http://www.lifeeducation.org.au/shop)
