Term 1 Week 6

Monday, 4th March 2019

Northern Rivers PSSA Zone Swimming

Due to the fine efforts of our students, our school progressed to the *Northern Rivers Zone Swimming Competition*, which was held last week, in Alstonville.

We fielded a relay team and an individual event, with our competitors being: Luke, Jack, Charlee and Liam. All four of them were in the relay event and Jack also competed individually.

Charlee has written a brief recount of the day:

This week Jack, Liam, Luke and I went to the Zone Swimming Carnival at Alstonville Pool. We competed in the P6 Freestyle Relay against lots of other schools. We all tried our best and came 5th.

Jack won his individual 50 metres Freestyle race. He got a 1st place ribbon. He will be competing in the regional carnival at Ballina pool on Wednesday this week. Good luck, Jack!

By Charlee

The whole school add their congratulations to the Relay Team for a fine effort, including taking nearly 10 seconds off their District Competition time, and to Jack for advancing to the next level of competition after coming first in his 50m Freestyle event. Jack is now heading to the Regional Swimming Carnival, this Wednesday.

Good luck, Jack!

Celebrating Our Students

Week 6, Term 1

Student of the week

Imogen - For being an attentive and courteous student with a consistent positive approach to her learning

Merit Awards

Joey - For trusting herself to be brave

Michaela - For consistently respectful manners

Jack, Luke, Charlee & Liam - For proudly representing their school at the Zone Swimming Competition

Clean Up Australia Day

Last Friday our school participated in the *National Clean Up Australia Day ~ At Schools*. Wearing protective gloves and a determined smile, our students worked in teams to scour our school grounds. While we are very fortunate to enjoy environmentally aware grounds, some students were surprised by some of the items of rubbish they collected. The next step will be the students working with an Environmental Education Officer from Lismore Council who work together with our students to complete an audit of the rubbish they have found.

High School Transition

By Jazmine, Ryan and Luke, Year 6

- Many thanks to the Betts Family for their assistance with transportation. -

Last Tuesday, along with the other Year 6 students here, I went to Lismore High School for an orientation for high school next year. We did Art and Music and we also did PE (it is sports). We also had hot dogs for lunch. Students from Lismore Public School and Wyrallah Road School made slime for Science. I was so jealous BUT I got to play the djembe in Music. The djembe is a type of drum. We all had a great day and now I am looking forward to high school.

By Jazmine

Last Wednesday, Year 6 went to a Moving Up day at Lismore High School. It was an orientation for when we go to high school next year. The day really was a lot of fun and the activities we participated in were P.E., drama, agriculture, art and cooking. We also went to the gym area for some exercises. We had recess and lunch, which was sausage sandwiches - they were good!

By Ryan

The day was really fun and filled with activities like gym, cooking, sport, drama, music, art and agriculture. It was heaps of work but a day filled with fun. At cooking, we made pear and cinnamon muffins and for lunch we had a delicious sausage sizzle. I can't wait until next year.

By Luke

'Before and After' photos...?? (Can you spot the difference?)

Tennis

This term Wyrallah Public School students have been enjoying tennis for their weekly sport. Bianca, from Raising Aces Tennis Academy, has been providing our students with some professional coaching.
