### What you need to know from Mr Nolan

- ♦ The song will be - Tom Petty's "Running Down A Dream"
- ♦ What they need - We hope to look like a 70's rock band. Each child will need to be dressed hopefully in denim jeans/jacket with t-shirt and covered shoes. To give it the "Status Quo" look we are hoping to put long wigs on children who have short hair. Op shops could be a good option and as time is running out it would be good if each child could have a costume bag with their NAME on it (shopping bag) they leave at school. This helps with the dress rehearsals. We don't want anyone to spend a lot of money. So we're hoping some families may already have wigs or we can purchase them from cheap shops (\$2 shops) etc.
- ♦ Can you help with- **70's make-up artists** would also be welcome or **making props**, which include fake guitars and big "Marshall" amplifiers which will require a few big cardboard boxes.

Thank you for your help and support

# Education Week

# STEMshare Enrichment Day

*Wednesday 21 August 2019*  
*Starting at 11.30am*

We would like to invite all of our parents, carers, grandparents and friends to join our students for our schools Open Day, which will include our STEMshare Enrichment Day and Book Fair/Book Swap.

This year we are combining our Book Fair with a Book Swap. We are encouraging all students to bring in books of good quality and swap them for another book that they would like to read. We will also have books to purchase from Book Warehouse.

We are very fortunate to have Kath Lollback from the STEMshare team coming in for the day and sharing with us the next instalment of our STEMshare program, Virtual Reality.

Students are able to come dressed up. This years theme is "Reading is my Secret Power"

Features of the day are - Open Classrooms, view Bookfair, swap books at the Great Book Swap, STEMshare demonstrations and Live Life Well information session.
